Complaints Policy and Procedure

The Lyvennet Community Trust aims to provide a good quality housing service meeting the needs and wishes of people living in the area of benefit it serves; primarily the Lyvennet Valley incorporating the parishes of Crosby Ravensworth and King's Meaburn.

Purpose and Aims

The Trust positively welcomes and encourages all feedback, whether positive or negative.

The Trust views complaints handling as a key element of its customer care approach and a means of monitoring, maintaining and improving the level and quality of service provided to all of its customers.

The Trust, through its Managing Agent, Eden Housing Association, will endeavour to rectify, to the satisfaction of the customer, mistakes in delivery and genuine grievance, where identified. Measures will be introduced to prevent their recurrence and to improve our working practices.

The Trust's Management Agent will ensure that all complaints are recorded and action taken, monitored and reported, including changes to service delivery, working practice, procedures and policies. These will be reported to LCT Board.

Definition of a complaint

In general terms a complaint is an expression of dissatisfaction, however made, about the standard of service, action, or lack of action, taken by the Trust and its Management Agent or its contractors, affecting an individual customer, or group of customers.

The following list is indicative of the broad categories that this policy and procedure covers:

- Failure to deliver services in line with the Trusts policies
- Failure to consider all relevant matters in determining a decision
- Complaints regarding the attitude and actions of Management Agents staff
- Standard / quality or provision of service failures
- Failure to fulfil statutory obligations
- Prejudice or unfair discrimination, with particular reference to equality and diversity

The above list is not exhaustive.
